

## **UPDATE: RESETTLEMENT TRAINING COURSES 2020 / 21**

1. DGR had been organising and conducting Resettlement Training Courses at IIMs / similar Premiere Management Institutes for officers and at various Central / State Govt and Private Institutes pan India for JCOs / OR and their equivalents in Indian Navy and Indian Air Force. Till last year Training Institutes were selected through a BOO constituting members from Service HQ, MoD, IFA and board proceedings used to be approved by Secy, ESW.
2. For the first time in the history of Resettlement Training, for the Financial Year 2020 / 21, selection of Training Institutes is being done through Open Tender Enquiry using a two-bid RFP system. The case file for selection of Training Institutes is still under progress through the office of IFA.
3. On completion of selection of Training Institutes, preparation of Training Calendar, Expenditure Angle Sanction by CFA through IFA and actual conduct of courses would require a lead time of approximately four months. It is, therefore, intimated that the earliest the Resettlement Training Courses can commence for the FY 2020 / 21 is in the month of August/September. Any further delay in selection of Training Institutes would accordingly shift the commencement dates. Also, Training Institutes accepting our proposals at this belated stage is also uncertain.
